WORKSTAND ACCESSORIES

9095 2095

Logitech Speakers w/ Secure Mount, SKU LS11

Add powered 8W twin speakers with secure mounting device to Workstand for a more enlivening experience.

SRP \$29.99

Workstand Security Cable, sku 5111

Secure your Workstand with a heavy duty 6' steel cable with custom end that will lock Workstand to immovable object. Comes with anchor that bonds onto hard, nonporous surface.

SRP \$19.99

"Used Books" Cover, sku 8122

Keep dust off your equipment during the holidays and breaks. The plastic cover fits over Workstand and all equipment. It will help disguise your valuable technology because it reads "Used Books" on the front to dissuade prospective thieves.

SRP \$9.99

Dry Erase Whiteboard, sku 8114

Create the perfect visual aid quickly and easily! Simply write and wipe. Perfect for classroom settings or business presentations. Our dry erase whiteboard is custom fitted for the Mobile Presentation Workstand.

SRP \$11.99

Shelf Extension, sku 9110 – for 9095

Want more working space? The shelf extension adds a 10"X10" work surface that attaches to either side of Workstand. Includes security feature for Lumens doc cameras for optional side mounting. One shelf extension included with each 9095 model.

SRP \$24.99

Flat Panel Monitor Arm, sku 8875 – for 9095

The Flat Panel Monitor Arm allows users to secure any flat panel monitor or Starboard with Vesa hole pattern to the 9095 Workstand. It attaches to the Workstand in a variety of positions for end use comfort and convenience.

SRP \$109.99

I just received the Mobile Presentation Workstand to use as an instructional aide in my classroom. The Workstand with the document camera, projector, and my laptop helps me move between lessons with no down time and reduces paperwork in my class. I teach 1st grade and the students are very intrigued and excited when the Workstand is used. The students are more engaged and more willing to participate, and it's so easy to set up.
